We're always delighted when our members sing our praises and reaffirm their commitment to Public Justice and the Public Justice Foundation, but some have taken their plaudits to a new level!

If you visit our website (www.publicjustice.net), our [Facebook Fan page](#), or [YouTube](#), you will see what we mean. A number of members and staff attorneys recently sat down with our cameras in San Francisco to render testimonials about the work we're doing and their dedication to it. The result is a video compilation, titled "Why Public Justice" and it has proven to be a popular "hit" on both the website and on Facebook.

Click on the image above to view the videos.

If you haven't already, please visit the sites now to hear the inspiring words of your fellow Public Justice Foundation supporters. We're sure you will find them as uplifting as we do.

We hope to expand this library of testimonials over time and look forward to including you when we can.

In the meantime, please help us spread the word about this wonderful new feature.

Thank you for your continued support of Public Justice!
