vs.

BP WEST COAST PRODUCTS, LLC, a
Delaware limited liability company

9

Defendant.

10

11

THIS MATTER was tried before a jury from January 14, 2014, through February 4, 2014. The case was tried by David Sugerman, Tim Quenelle and Amy Johnson ("class counsel") on behalf of Plaintiff Steven Scharfstein, individually and representing a class, and by David Harris, Abby Risner, Brad Daniels, Doug Berry and Lois Rosenbaum on behalf of Defendant BP West Coast Products LLC ("defendant" or "BPWCP"). Scott Shorr and Josh Ross also appeared on behalf of the class. William F. Gary, Sharon A. Rudnick and Susan D. Marmaduke also appeared on behalf of defendant.

The class is defined as Plaintiff Steven Scharfstein ("plaintiff" or "Scharfstein") and all consumers who, between January 1, 2011, and August 30, 2013, bought BP-branded gasoline, including gasoline plus additional items, at Oregon ARCO stations or Oregon *am/pm* minimarkets, who paid with a debit card and who were charged with a debit card fee (the "class"). Excluded from the class are 2,441 former class members who filed valid opt-out forms and are specifically identified in Exhibit A to this judgment, which is incorporated herein by reference. ORCP 32 O. These 2,441 excluded class

members are not bound by this judgment. *Id.* Also excluded from the class are attorneys for the class, persons serving as jurors and judges who sit on the case, any person who previously settled or had a court, arbitrator, or other legal authority decide a claim involving a dispute over debit card fees charged by BP West Coast Products, LLC, on or after January 1, 2011; and certain key supervisory employees of Kinsella Media and Epiq Systems, Inc. ("Epiq").

On January 31, 2014, the jury returned a verdict in favor of plaintiff and the class on liability, which (omitting caption, instructions, and signature line) found as follows:

1. Is defendant a "retailer"? Yes
- 2A. Did defendant violate the Unlawful Trade Practices Act by failing to disclose a condition on street signs or gas pumps? Yes
- 2B. Did defendant violate the Unlawful Trade Practices Act by charging plaintiff and the class more than the total amount registered on the gas pump at the selected unit price? Yes
3. Did defendant's violation of the Unlawful Trade Practices Act cause plaintiff and the class members an ascertainable loss? Yes
4. Did defendant knowingly or recklessly violate the Unlawful Trade Practices Act? Yes

On February 4, 2014, the jury returned a verdict in favor of defendant on punitive damages in answer to special interrogatories, which (omitting caption, instructions, and signature line) found as follows:

1. Have the plaintiff and the class proven the elements necessary to recover punitive damages? No

The verdicts were in proper form and were received by the Court.

On July 15, 2014, the Court issued an Order, which is incorporated herein by reference, enjoining defendant as follows:

1 BPWCP is permanently enjoined from charging a \$0.35 debit card fee at its
2 Oregon ARCO and *ampm* stations in addition to its price for gasoline, unless that
3 condition is clearly and conspicuously advertised on its street signs and pumps in
4 compliance with OAR 137- 020-0150(3)(d).

5 BPWCP is permanently enjoined from charging more than the total amount
6 registered on the gasoline pump at the selected unit price for the gasoline sold at its
7 ARCO and ARCO *ampm* stations in Oregon.

8 On March 11, 2015, the Court issued an Opinion and Order (Awarding Attorney
9 Fees, Litigation Expenses and Costs), incorporated herein by reference; Findings of Fact,
10 Conclusions of Law and an Order Approving Partial Attorney Fee Settlement,
11 incorporated herein by reference; and Findings of Fact, Conclusions of Law and an Order
12 on Attorney Fee Award from Common Fund, also incorporated herein by reference. In
13 those documents, the Court ordered that the class members pay to class counsel attorney
14 fees in the amount of \$60,277,860 from a Common Fund established by this litigation
15 (expressly defined below). The Court also approved the settlement reached by the parties
16 regarding plaintiff's claim for attorney fees from defendant under ORS 646.638(3)
17 ("attorney fee settlement"). Under the attorney fee settlement, defendant agreed to pay
18 plaintiff and the class a total of \$8,000,000 for attorney fees and costs incurred in the trial
19 court, contingent upon and due following the affirmance of this General Judgment after
20 the exhaustion of all available appeals. The Court directed defendant to disburse the
21 \$8,000,000 as follows: payment to class counsel of \$1,585,600 for attorney fees and
22 \$292,892 for costs incurred in the trial court; and \$6,121,508 to the class to be applied to
23 the Common Fund fee award owed by the class to class counsel.

24 In its Order Denying Defendant BP West Coast Products, LLC's Motion for a
25 Hearing Re: Class Size Determination, signed September 22, 2015, and incorporated
26 herein by reference, the Court determined that there were 2,048,941 members of the class
(before any class members' opt out claims were filed).

27 In its Findings of Fact, Conclusions of Law Regarding Supplemental Notice and
28 Claims Process, signed October 26, 2015, and incorporated herein by reference, the Court

1 found that there are 2,441 now former members of the class who filed valid opt out
2 claims and, thus, opted out of the class. Thus, the final size of the class entitled to
3 damages is 2,046,500 (the total class members less valid opt out claims) and, thus, the
4 total class damages are \$409,300,000 (total class members less valid opt out claims
5 multiplied by \$200 each).

6 Also in its Findings of Fact, Conclusions of Law Regarding Supplemental Notice
7 and Claims Process, signed October 26, 2015, the Court concluded that following the
8 claims process, there are 1,716,229 class members who, consistent with the Court's prior
9 Orders either affirmatively made valid claims or are deemed to have made valid claims,
10 for a monetary recovery of \$200 each, less attorney fees. Thus, the total amount of
11 damages to be distributed to members of the class who filed valid claims or are deemed
12 to have filed claims is \$343,245,800 ("Common Fund"). As stated in the Court's March
13 11, 2015, Opinion and Order (Awarding Attorney Fees, Litigation Expenses and Costs),
14 the Common Fund recovery shall be reduced by attorney fees of \$60,277,860 payable to
15 Class Counsel. Additionally, the Common Fund recovery shall be enhanced by
16 \$6,121,508, that amount remaining after defendant has paid costs and statutory attorney
17 fees from the \$8,000,000 attorney fee settlement.

18 In its Findings of Fact, Conclusions of Law Regarding Supplemental Notice and
19 Claims Process signed October 26, 2015, the Court also concluded that there is a
20 remainder of \$66,054,200 in damages that were not claimed by eligible class members
21 after a supplemental class notice program that provided the best notice practicable and
22 that complied with ORCP 32 and due process.

23 In its May 11, 2016 Order Granting Plaintiff's Fourth Amended Motion to Adopt
24 Proposed Plan of Allocation of Unclaimed Proceeds (ORCP 32 O) incorporated herein
25 by reference, the Court concluded pursuant to ORCP 32 O that after the class claims and
26 notice process, not all of the total class damages were claimed. As a result, the Court
concluded that the remaining \$66,054,200 in unclaimed damages should be awarded

1 pursuant to ORCP 32 O. The Court ordered payment of \$33,027,100 of the unclaimed
2 damages to "the Oregon State Bar for the funding of legal services provided through the
3 Legal Services Program established under ORS 9.572." ORCP 32 O. The Court also
4 awarded \$33,027,100 of the remaining unclaimed damages to the Oregon Community
5 Foundation for the purposes set forth in the May 11, 2016 Order Granting Plaintiff's
6 Fourth Amended Motion to Adopt Proposed Plan of Allocation of Unclaimed Proceeds
7 (ORCP 32O). Epiq, as Class Administrator, is authorized to act as the agent of plaintiff
8 individually and on behalf of the class for purposes of receiving and distributing the
9 portion of the proceeds of this General Judgment payable to plaintiff, the class, and to
10 class counsel. Post-judgment interest will cease to accrue on the amounts owed under
11 this General Judgment to plaintiff or the class upon the payment of those amounts to
12 Epiq.

13 Based upon the foregoing,

14 IT IS HEREBY ORDERED AND ADJUDGED as follows:

15 1. Defendant is permanently enjoined from charging a \$0.35 debit card fee at
16 its Oregon ARCO and *ampm* stations in addition to its price for gasoline, unless that
17 condition is clearly and conspicuously advertised on its street signs and pumps in
18 compliance with OAR 137-020-0150(3)(d).

19 2. Defendant is permanently enjoined from charging more than the total
20 amount registered on the gasoline pump at the selected unit price for the gasoline sold at
21 its ARCO and ARCO *ampm* stations in Oregon.

22 3. Subject to Paragraphs 5 and 6 below, Plaintiff Steven Scharfstein and the
23 class members are entitled to an award of \$200 each as statutory damages under ORS
24 646.608(u), ORS 646.638(1), and ORS 646.638(8)(a).

25 4. Subject to Paragraphs 5 and 6 below, Plaintiff Steven Scharfstein and the
26 class members shall have, take and recover judgment against defendant in the aggregate
amount of \$343,245,800.

1 5. Upon the affirmance of this General Judgment after the exhaustion of all
2 available appeals, Plaintiff Steven Scharfstein and the class members who filed claims
3 shall have, take and recover from defendant \$8,000,000, payable as follows: the amount
4 of \$1,585,600 in attorney fees and \$292,892 in costs payable to class counsel pursuant to
5 ORS 646.638(3); and the amount of \$6,121,508 payable to the class as partial payment of
6 the Common Fund attorney fee judgment in Paragraph 6 below. Pursuant to ORS
7 82.010(2)(a) and ORS 18.042(2)(f), interest on the portion of the judgment described in
8 this paragraph 5 shall not begin to run until 14 days after the appellate judgment issues
9 from the appellate court of last resort.

10 6. Plaintiff Scharfstein shall have, take and recover judgment payable from
11 the Common Fund for attorney fees in the aggregate amount of \$60,277,860 for the
12 benefit of and payable to Class Counsel. The final attorney fee amount will be allocated
13 pro rata to the claim of each class member that either filed a claim or is deemed to have
14 filed a claim.

15 7. Pursuant to ORCP 32 O, the Oregon State Bar shall have, take and recover
16 judgment against defendant in the amount of \$33,027,100 for the funding of legal
17 services provided through the Legal Services Program established under ORS 9.572.

18 8. Pursuant to ORCP 32 O, the Oregon Community Foundation shall have,
19 take and recover judgment against defendant in the amount of \$33,027,100 for the
20 purposes stated in the May 11, 2016 Order Granting Plaintiff's Fourth Amended Motion
21 to Adopt Proposed Plan of Allocation of Unclaimed Proceeds (ORCP 32 O)
