

**PUBLIC JUSTICE™**  
EXECUTIVE CIRCLE

## PUBLIC JUSTICE'S EXECUTIVE CIRCLE

Public Justice is pleased to offer a three tiered engagement program for its business community supporters. The **Public Justice Executive Circle** provides increased visibility for organizations and businesses that provide critical financial support for Public Justice's work fighting economic, racial, and environmental injustice and preserving access to the courts for everyone.

Executive Circle Members are eligible for a variety of marketing opportunities and benefits depending on the level of support. It's a win-win proposition. Executive Circle Members' generous financial support gives them unique access to Public Justice's nationwide membership of 2,500 plaintiffs attorneys and public interest advocates, and ensures that Public Justice is able to continue its vital work.

- The nation's leading trial attorneys provide significant support for Public Justice's work. Members of the Executive Circle will be featured to more than **200** of Public Justice's top level supporters every quarter
- Participation in Public Justice's Executive Circle helps your company reach a nationwide membership of more than **2,500 attorneys** and **social justice advocates**
- Public Justice's monthly newsletter, *Justice Briefs*, reaches more than **17,000 members and supporters** monthly.
